Since 2006, Legal Support Network (LSN) has been building a community for people in law firm management throughout the UK.

Owned and operated by Burlington Media Group, LSN brings the legal business services community together online through its website, social media channels and networking events. LSN hosts several networking events annually throughout the UK which are designed to fulfil its mission to help connect law firm business services professionals with each other in a different, fun and meaningful way.

WHO'S A PART OF LSN'S COMMUNITY?

Everyone. LSN targets all business services roles within UK law firms.

This colour-coordinated chart displays the areas where our audiences are most represented. This is also the colour of the lanyards we use at our events, making it easier to locate the professionals you want to speak to.

What is a networkpartner?

Our **networkpartners** are comprised of organisations like yours that are looking to engage with law firms to have access to attend our networking events and promote themselves using the content they are likely already producing.

Features in our weekly newsletter*

Unlimited content syndication

Exclusive access to our networking events*

Subject to availability*

By becoming a **networkpartner** you gain exclusive access to attend our networking events in London, Bristol, Birmingham, Leeds and Manchester.

London Networking Event

SUMMER | WINTER

Our two London events are the biggest of their kind in legal. We attract over 300 business services professionals from more than 100 law firms.

Key benefits of our events

- Meet key people across law firm management
- Build your network
- Cement existing relationships
- Influence user buying decisions

Key benefits of sponsoring an LSN event

- Present a prize at a law firm (organised by us)
- Attract law firm professionals to your branded area with your activity

Regional Networking

LEEDS | MANCHESTER | BRISTOL | BIRMINGHAM

The same key benefits as above but with a more intimate feel. We tend to attract 60-80 professionals at each of the four cities across the UK.

The intimacy of these events are what makes them unique and it also allows you full control over the event space.
